Chairman's Message

My heartiest congratulation to the team of Staff and students of IICP who are involved in the shaping of magazine 'EXIMIUS'. I am happy to note that the quality of articles and content of College Magazine EXIMIUS is improving day by day which indeed is a mark of skill, hard work and creativity captained by students and the faculty. This serves as an avenue for people to express their views, ideas and creativeness which contributes towards the bond and the overall intellectual development of our institution.

Learning does not begin and end with talking and working in classrooms of students with teachers. It comprises of interactions and personal development as well. Our students get a chance to learn so many skills through this initiative and be able to demonstrate their ability and further enhance the institution's profile. I have no doubt that this magazine EXIMIUS will be a source of joy, memories, accomplishments, and motivation for all who contribute to it.

Charutar Vidya Mandal University remains focused on delivering a wholesome environment where academic pursuits go side by side with extracurricular and research activities. We focus on producing students with sound morals and knowledge who will take on the world with creativity, honesty emerging as leaders of tomorrow.

My heartfelt thanks go to the Editor, Contributors and all others who have made this magazine a reality. You have done a lot for the success of this initiative and your efforts are greatly appreciated.

With blessings,

Er. Bhikhubhai Patel

President, CVMU and

Chairman, Charutar Vidya Mandal

Hon. Secretary's Message

It is a pleasure to note that Indukaka Ipcowala College of Pharmacy launching its annual magazine, EXIMIUS. This initiative reflects the creativity, dedication, and teamwork of the editorial team and all the contributors who have poured their thoughts into its pages. A magazine like this is more than just a collection of articles—it is a platform for students to express ideas, share knowledge, and inspire one another. My heartfelt congratulations to everyone who played a role in bringing this to life.

Pharmacy is more than a profession; it is a commitment to serving humanity. The COVID-19 pandemic reminded us of the vital role pharmacists and the pharmaceutical industry play in safeguarding global health. Indian pharma companies became a beacon of hope during those challenging times, proving that knowledge, innovation, and determination can make a real difference. As future pharmacists, you have the power to create meaningful change, and I encourage you to embrace this responsibility with passion and dedication.

At CVM, our goal is to nurture talent by providing world-class infrastructure and a supportive learning environment. Education is not just about acquiring knowledge; it is about developing the skills and values that will shape you into responsible professionals and compassionate individuals. Make the most of the opportunities before you, push your boundaries, and always strive for excellence. Wishing you all success in your journey ahead!

With warm wishes,

Dr. S. G. Patel

Hon. Secretary

Charutar Vidya Mandal

Registrar's Message

It gives me immense pleasure to witness the release of yet another edition of the college magazine, *EXIMIUS*, by Indukaka Ipcowala College of Pharmacy. This publication is not merely a reflection of our collective achievements but a true embodiment of our students and staff's creativity, commitment, and dedication.

Over the past year, our students have made remarkable strides, excelling not only in academics but also in co-curricular and extracurricular pursuits. As a dynamic and ever-evolving field, pharmacy demands continuous learning and innovation. I firmly believe that both our faculty and students will remain at the forefront of this progress, and I am confident that the research and insights presented in this edition will serve as a source of inspiration for all.

The Charutar Vidya Mandal (CVM) University remains steadfast in its pursuit of educational excellence, attracting talented students from across the country. Our campus, renowned for its conducive learning environment, exemplifies our unwavering commitment to fostering holistic development and nurturing future leaders.

I extend my heartfelt congratulations and best wishes to all contributors and readers of this edition. Keep up the exceptional work, and continue to shine brightly.

Prof. Dr. Sandeep Walia

Registrar & Dean Academics

The Charutar Vidya Mandal (CVM) University

Provost's Message

I am happy to note that Induakaka Ipcowala College of Pharmacy is coming up with a magazine EXIMIUS. I congratulate all who have contributed wholeheartedly in this publication, which provides a platform for them to showcase their talents.

At CVM University, we are committed to provide necessary ecosystem and facilitate overall development of students. We constantly strive to provide best infrastructure and facilities for knowledge and skill development among students. Co-curricular and Extracurricular activities are equally promoted for growth of soft skills among students.

My best wishes to students who are completing their study at the Institute. I wish you to achieve your goals and to serve the Society to your best abilities. Wish you Godspeed!

With warm Wishes

Dr. Hemant Trivedi

I/c Provost

The Charutar Vidya Mandal University

Principal's Message

Education is not confined within the walls of classroom. It develops human being for the worldly challenges and overcome human limitations. It is a matter of pleasure that our team of Faculties and students are coming up with a new issue of our Annual Magazine 'Eximius'. Eximius provides an opportunity to students and staff to showcase their curricular and extra curricular talents. Compilation of articles, photographs will definitely serve as medium for cherishing old memories.

Pharmaceutical Sector is ever demanding and challenging. I am sure that the education that has been imparted to our students will help to face this challenges bravely and positively.

My best wishes to the students who are going to complete their graduation and post graduation this year.

With warm Regards

Dr. Dimal A. Shah

Dean Faculty of Pharm. Sciences, CVMU

Principal – IICP

Editor's desk

Greetings to all our readers!

It is with great excitement that we present the latest edition of our college magazine "EXIMIUS-2025". As future pharmacists, you are custodians of health and well-being. This edition celebrates the passion, perseverance, and innovation that define our journey through pharmacy education. In this issue, we highlight the latest advancements in pharmaceutical sciences, share insights from our brilliant faculty, and showcase the outstanding work of our fellow students. From research breakthroughs to community outreach, the pages ahead offer a glimpse into the impact we can make as healthcare professionals.

All editorial members Dr. Dimal A. Shah, Mrs. Heta M. Kachhiya, Mr. Jay Patel, Mr. Rushabh Patel, Mr. Tirth Parmar had put loving efforts to create Eximius-2025.

We hope this magazine serves as a source of inspiration and a reminder of the incredible potential we all have to shape the future of healthcare.

Thank you for being a part of this vibrant community, and hope you enjoy reading this issue as much as we enjoyed putting it together.

With regards,

Mrs. Heta M. Kachhiya
Editor, Eximius-25
Assistant Professor, IICP

General secretary's Message

"I, Rushabh Patel, General Secretary of IICP and a 4th-year B. Pharm student, am honored to share my 4-year journey experience with you all. "If you get the last chance of happiness in your life, it will be from this college. According to my experience I have spent the best time of my life in this college . Having suffered a lot, struggled a lot, worked a lot, it will help me at the most needed time of my life. I have gained

nothing else in my life or not but I have earned precious people in my life from this college. I can't forget all these memories of my college life.

~ Rushabh Patel

Ladies representative's Message

Being the Ladies Representative of Indukala Ipcowala College of Pharmacy of fourth year has been one of the most beautiful journeys of my life. From the very first day, stepping into this campus with dreams in my eyes, to now, leaving with countless memories – this journey has shaped me into the person I am today. Representing my classmates wasn't just a responsibility, but an honour that taught me leadership, patience, and teamwork. The sleepless nights during exam

times, endless assignment submissions, and organizing various events together made us not just classmates, but a family. There were moments of pressure, misunderstandings, and tough decisions, but the trust and support of my batchmates always kept me going. Every farewell, every achievement, and every little celebration will always hold a special place in my heart. This college not only gave me knowledge but lifelong friendships and unforgettable experiences. The journey may have ended, but the bond we've built will always stay alive. Thank you, IICP, for giving me a home away from home.

- Dipti Sahoo

ABOUT THE CVM UNIVERSITY

Charutar Vidya Mandal (CVM) established in 1945 as a registered charitable trust and CVM University came into existence in year 2020. Today, CVMU manages more than 19 educational institutions. CVMU legacy of knowledge aims to enlighten the future generations by inspiring innovation and futuristic thinking for a better tomorrow. CVMU aspire for educational excellence, fostering creativity, innovation and leadership. CVM University provides an equal opportunity, pursues excellence in Education and Research to build up sustainability in the field of education.

ABOUT INDUKAKA IPCOWALA COLLEGE OF PHARMACY

IICP is a college of The CVM University, imparting quality education in the field of Pharmacy. It was established in June 2004, building is spread over an area of 67000 sq. ft. and is surrounded by nearly 5 acres of land. The college offers 4 years UG program and 2 years postgraduate program in Pharmaceutical Analysis and Pharmaceutics. The institute is an architectural splendid with modern amenities, specifically designed to suit the requirements of pharmacy education and research. The institute is approved by Pharmacy Council of India (PCI).

VISION OF IICP

To become a Centre of Excellence for learning and research and thereby bridge the academia and industry, by harnessing the creative and innovative capabilities of young minds, thus inculcating the sense of community pharmacy for upliftment and welfare of the society.

MISSION OF IICP

- ❖ To produce competent pharmacists.
- ❖ To promote and encourage industry-oriented research at post graduate level and above.
- ❖ To create awareness about Pharmaceutical care in the community.
- ❖ To enhance dynamic leadership skills rooted in Indian ethos.
- ❖ To contribute at global level by creating a synergy between the academia and community through significant research.

QUALITY POLICY OF IICP

We reaffirm our commitment towards providing quality education and fulfilling our aim through

- ❖ Ensuring excellence in the academia.
- ❖ Understanding and fulfilling the academic requirements of the students.
- ❖ Recruiting and retaining qualified, self motivated and disciplined faculty and supporting staff.
- ❖ Continuous interaction to build up a 'contact bridge' between parent/guardian and college administration.
- ❖ Committed and innovative approach for enhancing learning capacity of students irrespective of their past academic record and medium of education.
- ❖ Implementation of international quality management system.
- ❖ We are determined to constantly strive towards excellence with strong bond of love and affectionate relationship and association with students and seek to be a trailblazer.

Dr. Ankur Mahida

Assistant Professor, department of psychology, ILSASS

Students attended :94 faculty: 05

INDUSTRIAL VISIT

- 1) Date: 26th November 2024
Place with address: J.B.Pharmaceuticals Pvt. Ltd.
Total students: 53
UG/PG: UG: 36 PG: 17 (5th sem B. Pharm & 1st & 3rd sem M. Pharm)
Semester: B. Pharm: 5th sem, M. Pharm: 1st & 3rd sem

CULTURAL ACTIVITIES

- 1) Name of event: Classroom Decoration
Date: 15/08/2024
Theme: Independence Day
Number of student participation: 4 team
Winner: 4th year team

- 2) Name of event: Skit
Date: 15/08/2024
Theme: Independence Day
Number of student participation: 4 team
Winner : Devdutt & team

3) Name of event: Singing

Date:15/08/2024 Theme: Independence Day

Number of student participation: 4 team

Winner: Dhrushali and team

(Mansi, Jinal , Pranali, Nena, Meenaz)

4) Name of event: Space Day Quiz

Date:23/08/2024

Theme: National Space Day

Number of student participation: 6 team

Winner: Priyanka Mohanty (semester 7)

5) Name of event: Space Day Poster

Date:23/08/2024, Theme: National Space Day, Number of student participation: 10,

Winner: Mahi Patel (semester 7)

6) Name of event: Patient Counselling

Date:25/09/2024

Theme: World Pharmacist Day
(Pharmacists: Strengthening
Global Health)

Number of student participants: 6

Winner: Tithi Barot (semester 7)

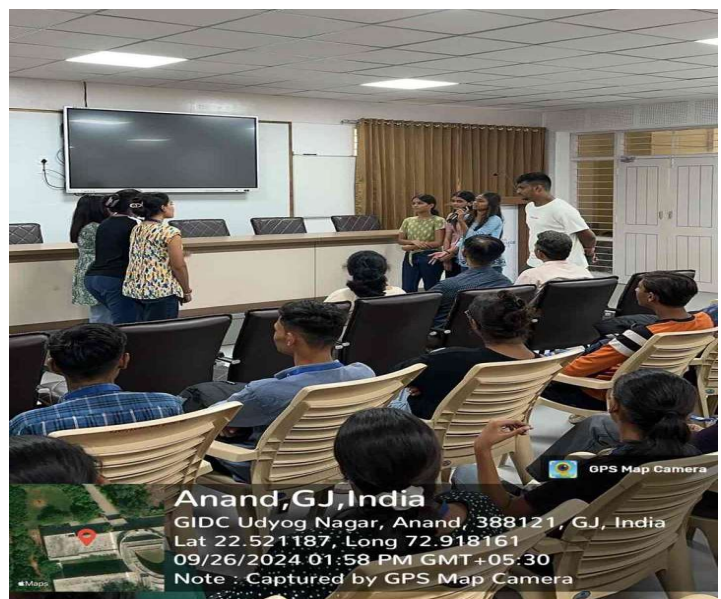

7) Name of event: Debate
Competition

Date:26/09/2024

Theme: World Pharmacist Day
(Pharmacists: Strengthening
Global Health)

Number of student
participants: 6

Winner: Krishna Prajapat
(semester 5), Jatan

8) Name of event: Teacher's Day

Date: 5/10/2024

Theme: Teacher's day celebration

Number of student participants: 24

Winner: 1) From sem 3-Pranali Thakkar

2) From sem 5-Aastha Gajjar

3) From sem 7- Shubham Lohiya

4) From M.Ph- Kinjal V. Patel

9) Name of event: 4th National Pharmacovigilance week

Date: 25/09/2024-28/09/2024, Theme: Building ADR reporting Culture for patient safety., Number of student participation: 62

Winner :

❖ 1st Rank

Name: Varun Bhatiya

Sem: 7th

2nd Rank

Name: Dipanshee Patel

Sem: 5th

❖ 3rd Rank

Name: Dhruvisha Rathva

Sem: 5th

10) Name of event: FRESHER'S PARTY 2025

Date: 04/01/2025

Theme: Carnival of Being Together

NSS ACTIVITIES

1) Veer Bal Divas Celebration and Word meditation Day at CVM University constituent college IICP.

On December 21, 2024, the event commenced with a brief introductory talk on Honoring the courage of the young martyrs on VeerBalDivas. Final year student Krishana Nayak eloquently introduced their sacrifice. Following this, Dr. Dimal A Shah, a renowned meditation practitioner, led a profound meditation session for the attendees. The event was a resounding success, fostering an atmosphere of remembrance and inner peace among the students.

2) IICP has successfully conducted an awareness program on cyber security. Students and staff learned important tips on staying safe online

3) IICP NSS Unit proudly organized a one-day awareness camp on Adverse Drug Reactions (ADRs). Villagers in large numbers showed keen interest in learning about the importance of ADR reporting and its impact on public health.

4) NSS Event: Fire Safety Training: Students actively participated in hands-on training, learning how to use fire extinguishers and water spray for safety. 🚒 🔥

Swachhata Abhiyan: A cleanliness drive was conducted around the college campus, inspired by Mahatma Gandhi's words. Students also took an oath to maintain cleanliness. 🌿 🧹

A day filled with learning and responsibility!

5) An awareness lecture was successfully conducted on August 10, 2024, to commemorate the International Day Against Drug Abuse and Illicit Trafficking. The event aimed to educate students and staff about the dangers of drug abuse and the importance of prevention. The awareness lecture was well-received by the participants. The speaker's expertise and engaging presentation style made the session informative and impactful. The event successfully created awareness about drug abuse and its detrimental effects. It is anticipated that the knowledge gained will contribute to a healthier and drug-free environment within the institution.

6) NSS unit of Indukaka Ipcowala College of Pharmacy has successfully completed the "एक पेड़ माँ के नाम" campaign!

Event Details:

Date: 05th August, 2024

Time: 01:15 PM

Venue: College Lawn - Garden

Kudos to all the students and staff who actively participated in this meaningful initiative. Your dedication and commitment to environmental awareness and sustainability are truly commendable. 🌍 🌱

May this campaign continue to inspire positive change and foster a sense of responsibility toward our planet. Let's keep nurturing the green spirit! 🌿 🌍

WDC EVENTS

1) Name of event: Elocution

Date: 05/09/2024

Theme: Women's equality

Number of student participation: 04

Women's Equality Day is a day to promote the rights and empowerment of women and girls. The purpose of Women's Equality Day is to commemorate the achievements of women and the fight for gender equality and recognizes the progress women have made towards equality with men.

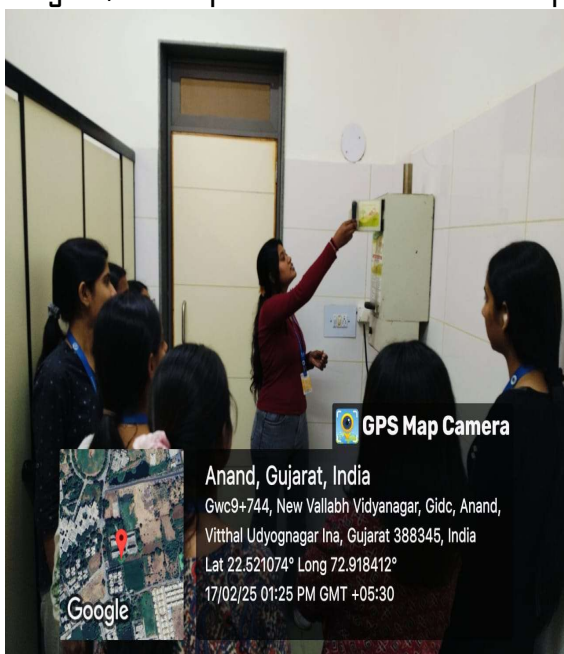

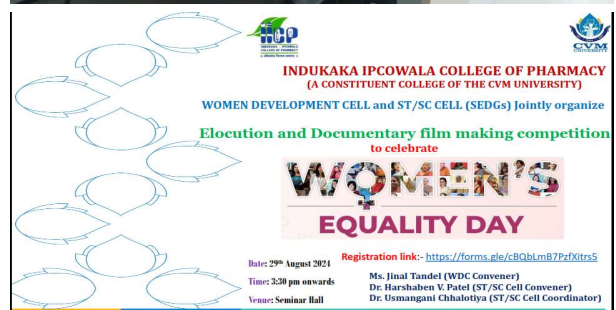

2) Name of event: Documentary film making

Date: 05/09/2024

Theme: Women's equality

Number of student participation: 08

Students are enthusiastically representing achievement of women's and fight for gender equality in the society which ultimately raises public consciousness about the need for gender equality in areas like politics, the workplace, and education. The day often prompts discussions on issues such as the gender wage gap, reproductive rights, and representation in leadership positions.

- 11) Ms. Jinal Tandel has delivered expert talks on "Application of Experimental Design in Chromatographic Method Development and Validation" in expert talk session organized by Parul Institute of Pharmacy and Research on 12/12/2024.

- 12) Ms. Jinal Tandel has delivered expert talks on “Role of Pharmacist in Contagious Diseases Management” during GSPC sponsored two days Online Refresher course for Registered Pharmacist on 11/01/2025.
- 13) Ms. Jinal Tandel has delivered expert talks on “Bio-availabilities of drugs” during GSPC sponsored two days Online Refresher course for Registered Pharmacist on 30/03/2025.
- 14) Mrs. Heta M. Kachhiya has delivered an expert talk on “Drug-Herb interaction” during Two days refresher course for registered pharmacists organized by Indukaka Ipcowala College of Pharmacy on 11th August 2024.
- 15) Mrs. Heta M. Kachhiya has delivered an expert talk on “Prediction of wavelength maxima using Woodward Fieser rule” during National level Three days hands on training workshop on “UV Spectroscopy and IR Interpretation: Exploring Molecular Insights” organized by Shri B. V. Patel education trust, Ahmedabad & Indukaka Ipcowala College of Pharmacy on 14th August 2024.
- 16) Mrs. Heta M. Kachhiya has given workshop training on UV was delivered during National level Three days hands on training workshop on “UV Spectroscopy and IR Interpretation: Exploring Molecular Insights” organized by Shri B. V. Patel education trust, Ahmedabad & Indukaka Ipcowala College of Pharmacy on 13th August 2024.
- 17) Ms. Swati K. Kurtkoti has delivered expert talk on “Emergency Management of Poisoning” during GSPC sponsored two day Online Refresher course for Registered Pharmacist on 11/01/2025.

RESEARCH PROJECTS

- 1) Research project entitled “Preparation and evaluation of novel herbal formulation for treatment of burns and wounds” by Krishna Nayak (Team leader), Shakshi Raval (Team member) and Dr. Veena Sandip Patel (Mentor) with outlay of 0.35 lakh from CVMUISC (SSIP 2.0) has been successfully started in 2024.
- 2) Research project entitled “Development and chracterizaton of skin care product for efficacious treatment of Acne vulgaris” by Dr. Ankita Bhavsar with outlay of 35,000 Rs. From SSIP Cell, The Charutar Vidya Mandal University has been successfully started in Sept. 2024.
- 3) Research project entitled “A safe & efficacious approach for the protection and treatment of hazardous UV rays” by Dr. Ankita Bhavsar with outlay of 30,000 Rs. from SSIP Cell, The Charutar Vidya Mandal University has been successfully started in Sept. 2024.

POSTER PRESENTATION

Sr. No.	Name of faculty/ students	Title of Poster Presented	Name of event	Organized by	Date
1	Shreya Bhandari, Diya Patel, Tulsi Patel, Tirtha Mehta, Ankita Bhavsar	"An Anti acne stick: Harnessing the power of essential oils"	National level conference "Pharma Industry & Pharmaceutical Science"	Parul University	5-6 April 2024.
2	Ms. Jinal N.Tandel	Uterotonic activity and Molecular Docking Analysis of Caesalpinia bonduc Leaf Extract on Isolated Rat Uterine Smooth Muscles	GSBTM sponsored International conference on Biomedicines: Prospect and Challenges in Therapeutic Outcomes	IICP, The CVM University	27-28/12/2024
3	Dinkey Panchal, Hetvi Sharma, Jinal Tandel	"Phytochemical Analysis and Quantitation of Quercetin in Mangifera indica L. Leaves using HPTLC	Indo-West indies International Conference 2025 on Current trend and global scenario of drug design, development and pharmaceutical sciences	SPCP	22/02/2025
4	Yogiraj Mahida, Aayush Patel, Jinal Tandel	Estimation of Quercetin and Fisetin in Marketed Onion Herbal Shampoos by Planner Chromatographic Method	Indo-West indies International Conference 2025 on Current trend and global scenario of drug design, development and pharmaceutical sciences	SPCP	22/02/2025
5	Krunal Solanki, Jinal Tandel, Ghanshyam Paladiya	Simultaneous Determination of Novel Prediabetic Obesity Drugs Mirabegron and Tadalafil in Synthetic mixture by Liquid Chromatography	Pratibha 9	GFPS	26/02/2025
6	Dinkey Panchal, Hetvi Sharma, Jinal Tandel	Development and validation of first-order derivative spectrophotometric methods for the determination of Minoxidil and finasteride in bulk and Pharmaceutical dosage form	Pratibha 9	GFPS	26/02/2025
7	Heta Patel, Usmangani Chhalotiya, Jinal Tandel (Secured 1 st Position)	Computational Approach for Prediction of Target for Allergic Asthma for <i>Amarphophallus paeoniifolius</i>	International Conference on "Biomedicines: Prospect and Challenges in Therapeutic Outcomes"	IICP, The CVM University	28/12/2024
8	Gopal Valiya, Heta Kachhiya, Rajveersinh Chavda	A Novel Stability indicating HPTLC method for Simultaneous Quantification of Dapagliflozin Propanediol Monohydrate and Bisoprolol Fumarate in Bulk and Marketed Formulation	Pratibha 9	GFPS	26/02/2025

Sr. No.	Name of faculty/ students	Title of Poster Presented	Name of event	Organized by	Date
9	Gopal Valiya, Heta Kachhiya, Patel Riddhi	HPTLC-desitometric method for simultaneous quantification of Dapagliflozin Propanediol Monohydrate and Bisoprolol Fumarate in combination including forced degradation studies	Indo-West indies International Conference 2025 on Current trend and global scenario of drug design, development and pharmaceutical sciences	SPCP	22/02/2025
10	Ms. Swati K. Kurtkoti and Dr. Harshaben V. Patel (Secured 1 st Position)	Formulation of Multifunctional Nanostructured Lipid Carriers for Targeted Treatment of Non-Small Cell Lung Cancer	International Conference on "Biomedicines: Prospect and Challenges in Therapeutic Outcomes"	IICP, The CVM University	27 th & 28 th December 2024
11	Rajveersinh Chavda, Swati K. Kurtkoti	Repurposing of Thiazolidinedione Drug Class in the Treatment of Pulmonary Arterial Hypertension	International Conference on "Biomedicines: Prospect and Challenges in Therapeutic Outcomes"	IICP, The CVM University	27 th & 28 th December 2024
12	Mrs.Rishita D Patel, Dr. Harsha V Patel (Secured 1 st Position)	"Evaluation of The Impact of An Educational Pharmaceutical Care Program on Type-2 Diabetes Mellitus Patients - An Interventional Study"	International Conference on "Biomedicines: Prospect and Challenges in Therapeutic Outcomes"	IICP, The CVM University	28/12/2024
13	Ms. Mital S. Parmar	Stability indicating Densitometric method for estimation of Vonoprazan fumarate used in the treatment of Gastroesophageal Reflux disease	Advancement and Challenges in Pharmaceutical Research and industry	Faculty of Pharmacy, Parul university, Vadodara	5 th and 6 th April 2024/.
14	Ms. Mital S. Parmar	Stability indicating alkaline degradation kinetic Densitometric method for estimation of Vonoprazan fumarate used in the treatment of Gastroesophageal Reflux disease	GSBTM & CVMU Sponsored Two Days international Conference on Biomedicines: Prospect and Challenged in Therapeutic Outcomes	IICP, The CVM University	27 th & 28 th December 2024.
15	Ms. Dishita G. Parmar	Solubility Enhancement of Poorly Water-Soluble Drugs Using Porous Carriers: A Novel Drug Delivery Strategy	International Conference on "Innovations in Chemical, Biological and Pharmaceutical Sciences (ICBPS-2024)	Institute of Pharmaceutical Research, GLA University, Mathura (Uttar Pradesh) India.	4-5 Oct 2024
16	Ms. Dishita G. Parmar	Porous Precision: A Template-Assisted Breakthrough for Poorly Soluble Drug using Sugar-Based Carriers.	International conference Biomedicines: Prospects and Challenges in Therapeutic Outcome, scheduled	IICP, The CVM University	27-28 Oct 2024

Sr. No.	Name of faculty/ students	Title of Poster Presented	Name of event	Organized by	Date
17	Mrs. Palak K. Vyas	Stem Cell Therapy: Promises and Challenges in Regenerative Medicine.	GSTM and CVMU sponsored Two Days International Conference On "Biomedicines: Prospect and Challenges in Therapeutic Outcomes"	IICP, The CVM University	27 th & 28 th December, 2024
18	Mr. Krunal H. Solanki (ORAL)	Hydnocarpus Species in Dermatology: A Systematic Review of Traditional Uses and Modern Applications	International Conference on "Innovation in Chemical Biological and Pharmaceutical Sciences"	GLA University, Mathura	4 th and 5 th October, 2024
19	Mr. Krunal H. Solanki	Phytochemicals and Pharmacological Properties of Hydnocarpus Species	International Conference on "Biomedicines: Prospect and Challenges in Therapeutic Outcomes"	IICP, The CVM University	27 th and 28 th December, 2024
20	Mr. Harsh B. Vasani, Ms. Tamanna M. Barasara, Ms. Aachal R. Patel, Mr. Krunal Solanki	Toxicological Screening of Herbal Medicine Using Analytical Tools	Pratibha-9	GFPS	26 th February, 2025
21	Ms. Aachal R. Patel	Designing of NLC Based DPI for Pulmonary Delivery of Ivacaftor Using QbD Approach	"Biomedicines: Prospect and Challenges in Therapeutic Outcomes"	IICP, The CVM University	27 th & 28 th December
22	Ms. Aachal R. Patel	Development of Inhalable Nanoparticulate System Containing Ivacaftor For Localized Delivery In Treatment of Cystic Fibrosis	"Innovations In Chemical Biological And Pharmaceutical Sciences"	GLA University	4 th and 5 th October 2024

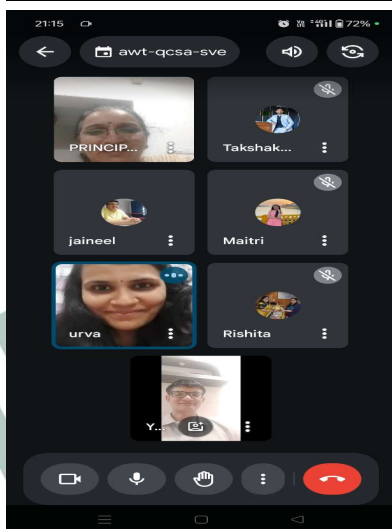

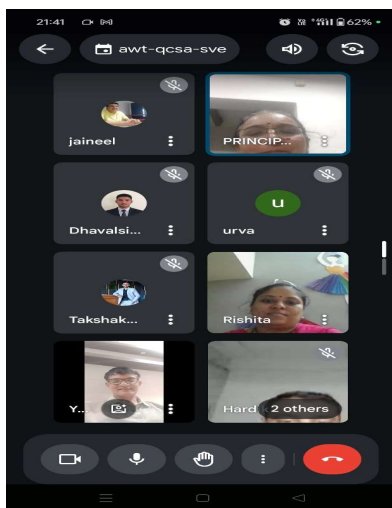

RESEARCH PAPER PUBLICATIONS

- 1) Mahirali I. Saiyed, Dimal A. Shah, Usangani Chhalotiya, Jinal N. Tandel, Heta M. Kachhiya, Mital S. Parmar, Krunal H. Solanki published research article titled **'HPTLC method for determination of anti-hypertensive drug combination metoprolol succinate and dapagliflozin'** in Discover Chemistry in September 2024. (Springer Nature)
- 2) Krunal H. Solanki, Dhaval P. Solanki, Dimal A. Shah, Usangani K. Chhalotiya, Heta M. Kachhiya, Jinal N. Tandel, Mital S. Parmar published Research article titled **'HPTLC- Densitometric method of analysis for estimation of Efonidipine and Telmisartan used in treatment of Hypertension'** In Journal of liquid chromatography and related techniques in September 2024. (SCOPUS)
- 3) Anchal Shukla, Usangani Chhalotiya, Jinal Tandel, Dimal Shah, Heta Kachhiya and Mital Parmar **"Simultaneous estimation of dapagliflozin and linagliptin using reverse phase-HPLC with photo diode array (PDA)"** in **Journal of Chemical Metrology** in February 2024, 18(1), 19-29. (Scopus)

- 4) Krunal H. Solanki, Dhruv N. Joshi, Dimal A. Shah, Usangani K. Chhalotiya, Heta M. Kachhiya, Jinal N. Tandel & Mital S. Parmar published Research article titled **'Simultaneous estimation of novel antihypertensive drug combination efonidipine hydrochloride and telmisartan using liquid chromatographic method'** in Essential Chem Journal in July 2024. (Taylor and Francis)
- 5) Heta Patel, Usangani Chhalotiya, Jinal Tandel, Ashish Patel, Ranjitsinh Dabhi published research article entitled **"In silico ADMET Study, Molecular Docking and Dynamic Simulation of Tuber Extract of Amorphophallus paeoniifolius for Anti-inflammatory Target Prediction in Asthma"** in **Chemistry Africa** in December 2024. (Scopus)
- 6) Heta Patel, Usangani Chhalotiya, Jinal Tandel published research article entitled **"Simultaneous estimation of biomarkers in hydroalcoholic tuber extract of Amorphophallus paeoniifolius by a validated instrumental thin-layer chromatography method"** in **JPC – Journal of Planar Chromatography – Modern TLC** in January 2025. (Scopus and WoS)
- 7) Anchal Shukla, Usangani Chhalotiya, Dimal Shah, Jinal Tandel, Heta Kachhiya, Mital Parmar **"Development and validation of stability indicating HPTLC method for simultaneous estimation of Dapagliflozin and Linagliptin"** in Discover Chemistry in June 2024, 1(4), 1-12.
- 8) Ankita S. Bhavsar, Mariya F. Mandliwalaa, Yash S. Thakkar, Meghraj Suryawanshi, published research article entitled **"Formulation and characterization of poly-herbal cream for the treatment of hyperpigmentation"** in Indian Drugs in February 2025. (SCOPUS)
- 9) Kashyap Trivedi, Vasu Patel, Aayush Parekh, Mansi Patel, Jinal Tandel*, Heta Kachhiya published research article entitled, **Preliminary Phytochemistry and HPTLC Fingerprint profile of leaf extract of Latakaranj: A Pharmaceutically significant plant** in **Research Journal of Pharmacognosy and Phytochemistry** in October – December, 2024. (UGC care)
- 10) Maitri Shah, Heta Kachhiya*, Jinal Tandel, Usangani Chhalotiya, Dimal Shah, Adarsh Patelia, Mehul Patel **"A validated HPTLC method for quantification of a new combination containing Lidocaine HCl and Diltiazem HCl"** Discover Chemistry 1 (1), 12 (2024) (UGC)
- 11) Maitri Shah, Heta Kachhiya*, Jinal Tandel, Usangani Chhalotiya, Dimal Shah, Adarsh Patelia, **"A validated liquid chromatographic method for simultaneous quantification of Lidocaine hydrochloride and Diltiazem hydrochloride"** Essential Chem 1 (1), 1-7 (2024) (UGC)
- 12) Patel, Rishita Darshan, and Harsha V. Patel. published research article entitled **"Assessment of Knowledge, Attitude and Practice and Medication Adherence of Type-2 Diabetes Mellitus Patients: A Cross Sectional, Observational, Community Based Survey from Gujarat, India."** Indian Journal of Pharmacy Practice 17.3 (2024): 249-260. (Peer Review-APTI journal)

ALUMNI CORNER

20th Annual Day celebration was conducted on 27th March 2024, in august presence of Er. Bhikubhai Patel, President, The CVM University. Dr. Viral Patel, Director, Armein Pharmaceutical Ltd., Khambhat was chief guest of the function and Mr. Pratik Modi, Manager, Unison Pharmaceuticals Ltd was Guest of Honor. Looking to the achievement of Mr. Pratik Modi, Alumni of IICP, he was invited as a guest of Honour. In her speech, he motivated students for hardwork and also shared his experience of IICP. He also stressed on importance of effective communication while working in a Pharmaceutical company. He motivated students for higher studies sand explained the importance of it.

Meeting of executive council members of Alumni Association of IICP was conducted on 26th September 2024 via online google meet platform at 9 pm.

Dr. Harsha V. Patel, Principal, welcomed all the members and informed all the members that IICP is planning to organize Alumni meet in the month of Dec-24 or Jan-25. Dr. Dimal Shah, Professor, welcomed all the members and discussed agenda with them. He discussed that Institute is planning to organize alumni meet and he invited suggestion for the probable date from EC members. EC members suggested that we may plan 5th Jan or 12th Jan-25. They also suggested that we should invite proposal from all alumni for their convenient date. Mrs. Rishita Patel suggested that, we can take poll of all alumni for their convenient date and then we can finalize alumni meet date based on their feedback. Suggestions were also received from EC members for making Alumni meet a grand success. It was decided that one or two alumni will be identified who will take lead to invite their batch mate for alumni meet. Dr. Shah requested all EC members to strengthen alumni database. For that, google form will be again shared in the group and conveyed all the members to spread it among their groups so that we can get information about our alumni. The meeting was ended with vote of thanks.

"Alumni Meet - 2025"

Date: 5th January 2025 & Time: 8.30 am to 2.00 pm

Institute: Indukaka Ipcowala College of Pharmacy &
Venue: College Lawn, IICP

Coordinators: Dr. Dimal A. Shah, Mrs. Rishita D. Patel,
Ms. Aanchal Patel

Convener: Dr. Harsha V. Patel

No. of Alumni Participants: 39 & No. of Staff
Participants: 31

It provided opportunity for students to interact with
Alumni. It provided platform for effective tie up with
alumni for benefit of Institute

MEERA COLLEGE KA SAFAR

Yun toh dher sari MEMORIES milli, Par COLLEGE LIFE me jo sabse haseen chiz milli

Wo DOSTI hain Yaaron...!, Ye DOSTI na thodi next level thi

Jis din dost COLLEGE nahi aate thy na, Apna bhi PLAN samjho CANCEL hi tha

Do milkar teesre ki bezzati jab karte thy, Uff ! Kitna hum haste thy..!

Mere YAARON ye Sath ka pal, Ab ek daastan me Badal raha

CLASS or LAXMI wali kahani hogi ab khatam, SEMESTER ke EXAM sessional

Sab kitne jaldi pure hogaye, COLLEGE ki woh LIBRARY, Jamti jaha thi mahefilen...!

Kuch DOSTO ne chhodi apni YAARI, to Kuch ne Apna Sahara diya,

chalo naadan the who, Apna Maan kar chod diya..!

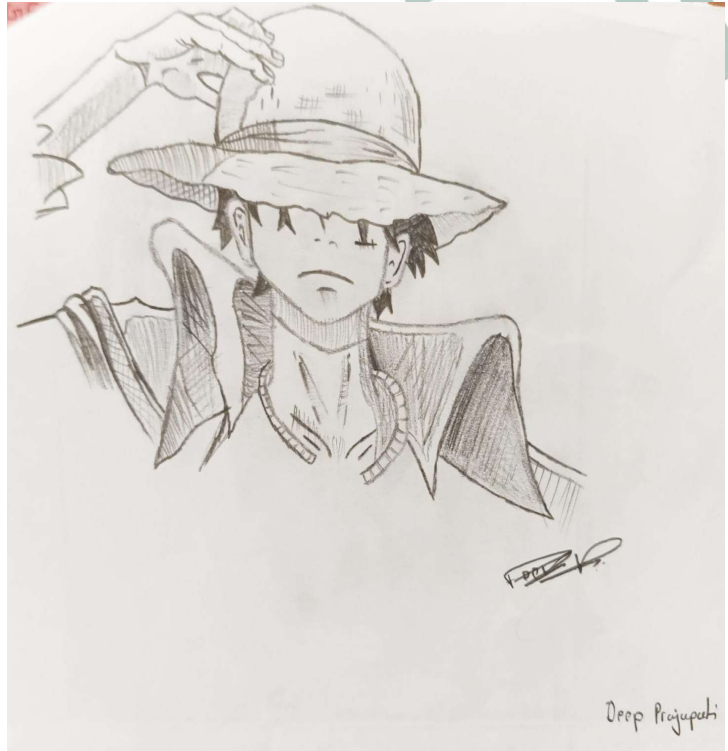

Ab alag hogi manjilein, Aur alag hoga Raastan, Aa Gaya woh mod jisme

ALVIDA kahna pad raha, Aa gaya woh mod jisme, ALVIDA kahna pad raha..!

-ESHA PATEL

The Alchemy of Healing

A Poetic Journey Through Pharmaceutical Chemistry

I. The Chemist Calling

In halls where knowledge flows like vital blood,
Where wisdom crystallizes, pure and bright,
We stand as guardians of an ancient art,
Transforming elements to heal and light.

*Jis tarah se pani badalkar ban jata hai zindagi,
Humari koshishon se dawaiyan, ban jaati hai raghaai*

II. The Analyst's Vision

Through columns, spectra, and titration's dance,
We peer beyond what mortal eyes can see.
Each molecule reveals its secret heart,
Each compound tells its tale of chemistry.

*Har ek boond mein samundar chupa hai,
Har ek zarrah mein kainat basi hai.
Tahlil karne wala dekhta hai woh raaz,
Jo aankhon se ujhal, nazron se chupi hai.*

III. The Medicine Path

From raw materials to finished form,
A medicine must travel many miles.
Through our department's watchful, careful eyes,
Each step is guided through analytical trials.

*Dawai ka safar kitna ajeeb hai,
Pehle woh bas ek soch thi, phir ban gayi hakikat.
Humari nigrani mein, har kadam par,
Milti hai ise shudhta ki barkat.*

IV. The Symphony of Molecule

Benzene rings in perfect harmony,
Functional groups reaching out to bind.
Hydrogen bonds like whispered promises,
Each structure with a purpose well-defined.

*Chemistry ki duniya mein raag hai, taal hai,
Har atom ka apna hi kamaal hai.
Jaise sangeet mein sur milkar bante hain dhun,*

V. The Eterna Quest

Years pass, research continues without end,
New challenges arise with each sunrise.
At IICP's halls,
We face the future with determined eyes.

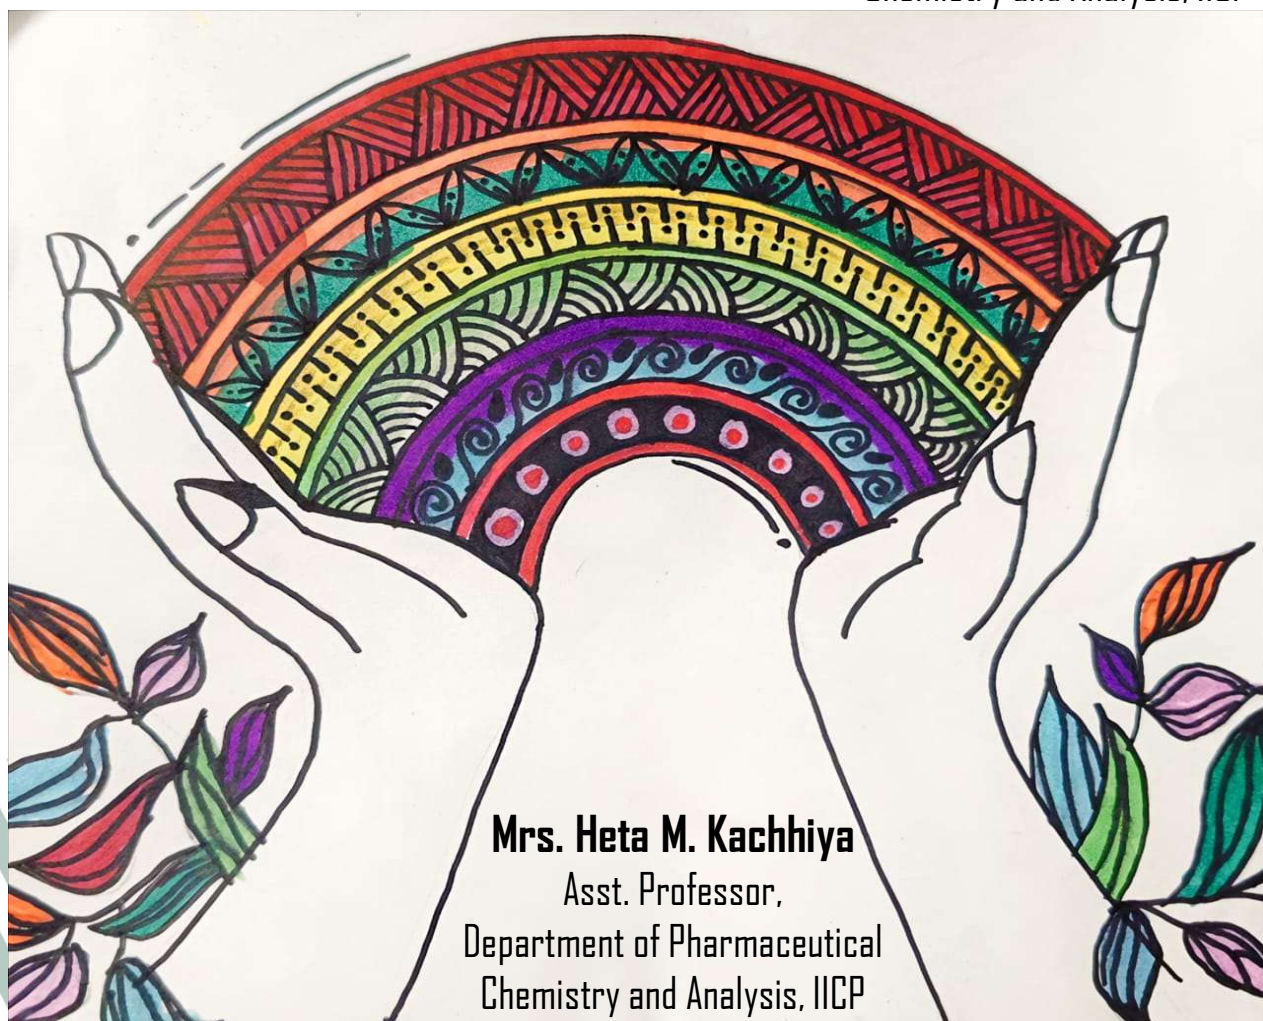

*Khoj abhi baaki hai, manzil door hai,
Par himmat se bhare, hum chale hain.
Har mushkil ko paar kar lenge,
Har chunauti ko jeet lenge.*

Dedicated to the faculty, staff, and students of the Department of Pharmaceutical Chemistry and Analysis, Indukaka Ipcowala College of Pharmacy.

"Chemistry is the bridge between what is seen and what is unseen, between suffering and healing."

Mr. Krunal H. Solanki
